

2009 Speaker Topics-

Prepared for Employee Campaign Coordinators

Select any of the topics below to help your employees learn more about how United Way of Treasure Valley is working to create real and lasting change. Please select the topic you would like to learn about and we will arrange for a guest speaker to attend your meeting. To insure availability, please request your speakers *at least 5 days* in advance.

Education

- Readiness to achieve in school
- Academic Achievement
- Productive and Engaged Youth
- United Way Initiative: *Born Learning*

Health

- Providing access to affordable substance abuse detoxification and crisis mental health services.
- Providing access to quality, affordable health, mental health and dental care.
- United Way Initiative: *Substance Abuse Recovery and Prevention*

Income

- Financially self-sufficient families through financial education
- Meeting the basic needs of food, shelter and safety for families
- United Way Initiative: Individual Development Accounts (IDA)
- “Life on the Edge” – Poverty in Idaho

Volunteerism

- Understanding how United Way improves lives through the eyes of a United Way volunteer.
- Making a lasting difference through volunteerism.
