

COMMUNITY IMPACT GRANTS 2007-08

Grand Total = \$1,856,980

57 Programs @ 36 Agencies

TOMORROW'S LEADERS: Economically-disadvantaged young people are inspired to realize their full potential as productive, responsible, caring citizens.

Specifically, United Way's goals are to:

- Increase the number of children entering school ready to succeed.
- Increase the number of youth participating in quality programs outside of school hours.
- Increase the number of mentoring relationships between youth and nurturing adults.

SAFE & SOUND FAMILIES: Effective community support systems are in place so that individuals and families can be self-sufficient, independent and safe.

Specifically, the United Way's goals are to:

- Increase the number of financially self-sufficient families.
- Increase the number of families and individuals safely sheltered and free from violence and abuse.
- Increase the number of families and individuals who are not hungry.
- Increase the number of vulnerable individuals who are able to live independently and safely.
